

Enrollment Open for RELAC Insurance Benefits

All current RELAC members will be receiving in the mail their annual open enrollment package from Pacific Group Insurances, our plan administrator. If you do not wish to change anything regarding your RELAC-sponsored insurance or supplemental benefits, take no action.

If, however, you want to change or add any of these insurance or supplemental benefits, now is your once- a- year opportunity. Read carefully the information contained in the booklet. Except for those parts pertaining specifically to insurance, you do not need to fill out the RELAC membership application.

The deadline to return your insurance elections is Nov. 17, 2017.

If you have any questions about these insurance or supplemental benefits, contact Pacific Group Insurance directly at (800) 511-9065.
