Dear RELAC Member:

2021 RELAC SCHOLARSHIP PROGRAM

On behalf of the RELAC Board of Directors, I am pleased to announce the approval of a third-year funding for RELAC's Scholarship Program. This special program will award up to five \$1,000 scholarships to eligible members and/or their immediate family.

Current reports on the increasing level of household debt in America cite that student educational loans are now the second-largest category. I believe the RELAC Scholarship Program will be an important benefit to our members and/or their family.

Our Scholarship Program is designed for members interested in exploring their continued educational goals, their personal development, and/or the educational goals of family members. Two scholarships will be reserved for RELAC members and three will be designated for immediate family members, defined as a child (including adopted children and stepchildren), a grandchild, or great-grandchild.

Please see enclosed RELAC Scholarship Application in response to your request. The Scholarship Application form will also be available on our website, effective November 13, 2020. The deadline to submit your application is March 1, 2021.

On behalf of the RELAC Board of Directors, I extend to you our best wishes for a healthy and happy 2021.

Sincerely,

David Muir
President
