

Congratulations, Food Bank Donors

by Linda C. Hopkins, Community Support Committee

The RELAC Board of Directors and the L.A. Regional Food Bank sincerely thank our generous supporters that donated over \$20,228 to help fight hunger in the county.

Their collective donations provided over 40,000 meals for families in need.

A special thank you to our top four donors: Dave Muir, Evelyn Gutierrez, Helen Masuda, and Evelyn Fullmore. Their combined donations totaled \$6,800.

We were truly inspired by the special donation made by Helen Masuda, who donated her stimulus check in the amount of \$1,800. Our generous and supportive RELAC members are a shining example of the adage, “sharing is caring.”

As the need for nutritious meals continues, we encourage interested RELAC members to visit our website at relac.org and scroll down to Food Bank donations.

Thank you for your continued support of communities in need.

Dear Brian,

Thank you for the incredible support of the Retired Employees of LA County who have raised \$20,228 for the Los Angeles Regional Food Bank. This generosity will enable us to provide enough food from more than 40,000 nutritious meals to food insecure children, families, seniors and individuals throughout Los Angeles County.

The demand for Food Bank services has increased sharply since the onset of the COVID-19 pandemic. Food distribution has increased by 125%, and we expect the demand for food assistance to remain high in the foreseeable future. Through our partner agency network and direct distribution programs, we estimate that we are providing nutritious food to 900,000 people each month.

Your support enables us to continue to provide nutritious food to our neighbors in need. We truly appreciate your support during this time of great need.

Sincerely,

Roger Castle
Chief Development Officer
