

RELAC's 2023 Drive to Raise Funds for Food Bank

RELAC will once again conduct a fundraising drive to support the Los Angeles Regional Food Bank in the fight against hunger impacting the homeless, unemployed, and low-income families. Over the last two years RELAC has raised over \$26,000 through the generosity of our members. If you wish to make a donation to the 2023 campaign, you can either use the link <https://give.lafoodbank.org/RELAC23> or mail a check made payable to the LA Regional Food Bank to the RELAC office at 1000 S Fremont Ave. Unit 15, Alhambra, CA 91803.

The food bank also operates the commodity supplemental food program (CSFP) to assist seniors in getting food. CSFP is a federal program administered through local agencies designed to improve the health of low-income seniors by supplementing their diets with nutritious fruit, juice, vegetables, milk, cheese, grain and protein, including plant-based protein.

Seniors may visit a distribution site with an ID and staff will complete an application with them. Each application can take up to two people of the same household who are 60+ years, but each person needs to be present with an ID. More information on distribution dates and locations is available by calling (323) 234-3030, ext. 170.
