## La Mirada Golf Tournament – July 11, 2022

It was warm, but some great golf was played, as the winners in all the flights scored exceptionally well. This tournament was the make up for the rained-out La Mirada tournament in March. Eddie Otero won the A flight, played great, and brought in a net 66, the low net of the day. Second place was a close race as Michael Hernandez edged out Tony Bacon by one stroke with a net 71. Tony brought in a net 72 for third place.

Robert Prince, playing well again, took first place in the B Flight with net 67. Jeff Phillips kept pushing Robert and brought in a net 69, finishing second. Luis Martinez played steadily and came in third with a net 73.

The C Flight was an easy win as Frank Martinez came in first with a net 67. Andy Mendoza brought in net 70 for second place. Richard Duran, in a card off with Miguel Ortiz-Marroquin, finished third, as they both had net 75s.

Jaqueline Johnson battled it out with Molly Silva in the Women's Flight and shot a net 77 for the win. Molly brought in a net 79 to take second place. In third place, at a net 92, was Brenda Cohen, Molly Silva's guest. We have several regular women players. We welcome their participation and look forward to having more play in the future. Thank you all for playing!

In the men's closest-to-the-pin competition on par-3 holes, Tony Bacon won on the third hole, Ed Earle on the fifth, Jeff Phillips on the ninth, Dave Runke on the 11th, Herman Debose on the 13th, and Frank Martinez on the 17th. In the women's competition, Jaqueline Johnson took the third and 13<sup>th</sup> holes.

The Los Verdes tournament was played at Los Verdes Golf Course on Aug. 1, 2022. Please see Golf News in the recently released RELAC September/October Newsletter for all the details. Lakewood is the next tournament to be played at Lakewood Golf Course on October 10. Golf entry forms for the Lakewood tournament can be found in the Calendar section of the website. We would appreciate it if those of you with friends who play with us and do not have access to the website would pass on the information about our upcoming tournaments so they can sign up to play. If you can help RELAC recruit new members who are golfers, it would be terrific. Please help us grow. Information and membership applications are available under "Join RELAC" on the website.

If you have a course that you would like to play, please let me know and I can add it to our schedule for next year.
