

Support the RELAC March for Babies Team

Community Support Committee

The 2021 L.A. County March for Babies fundraising campaign has been extended through **July 30**. The RELAC Board of Directors and March for Babies Team co-captains Linda Hopkins and Evelyn Gutierrez thank you for your continued support. Your generous donations will help make L.A. County a more equitable community and help fund medical research and services for families at-risk.

The 2021 March for Babies Walk has a bold vision focused on making a significant difference in our communities, now and for generations to come. As a partner with March of Dimes, RELAC will help support health equity for all moms by providing access to essential health care and protecting the health of families in need.

During COVID-19 medical challenges and affected health care services, your support will help provide continued funding for medical research that will safeguard our children, grandchildren, and neighbors. With your continued support the RELAC Team will achieve or exceed the 2021 fundraising goal of \$6,000.

If you wish to donate online, visit www.marchforbabies.org/team/RELAC.

There is still time for you to register as a RELAC Team walker. Just click on the MOD website and make your RELAC Team donation. You may also wish to invite your family members and friends to donate in your name.

If you prefer writing a check payable to "March of Dimes," mail your check to our RELAC Office. Thank you for caring and making a difference in the lives of at-risk families.
