Norman Johnson Mourned; Leader of County Parks, LACERA, RELAC

by Bill de la Garza

As Director of Parks & Recreation for the County of Los Angeles, Norman S. Johnson set the standard in the development of open-space for large Regional Parks and local community parks for all ages. Upon his retirement from the County, Norm served as a perennial member of the Los Angeles County Retirement

Association Board of investments for over 20 years. He was instrumental and played a key role in the development and success of LACERA, one of the finest public retirement pension systems in the country. Norm played a crucial role in assisting RELAC through the early difficult years. His leadership helped RELAC develop into an influential lobby for retiree benefits and a major provider of services to retirees.

A native of Los Angeles, Norman S. Johnson attended Los Angeles High School and the University of Southern California where he received a degree in Public Administration. During World War II he served in the U.S. Air Force. Norm passed away on June 27, 2005 in Pasadena California of natural causes two days before his 93rd birthdate.

A career public servant Norm spent 39 years with the County of Los Angeles in management positions with the Auditor-Controller, Chief Administrative Office, Fire Department and Parks

and Recreation. He served 17 years as the Director of Parks and Recreation. During his tenure Parks and Recreation grew from a small

neighborhood Parks Department, located in unincorporated areas of Los Angeles County, to a large multifaceted Regional Parks system serving all the citizens of Los Angeles and its neighboring counties. His innovative leadership combined with his administrative skills brought his Department to fruition in the early 70's as it became the largest County Parks & Recreation Department in the United States. Norm's passion for open-space recreation facilities paved the way for the development of Castaic Lake and Recreation Area, Frank G. Bonelli Regional Park and Whittier Narrows Regional Park. In addition to playgrounds and swimming pools, Norm wanted the citizens of his county to enjoy Senior Centers, Nature Centers, Cultural Arts Centers, Equestrian Trails, and

large recreational facilities that included Public Golf Courses, camping, boating, fishing and scuba diving. Norm's love for recreational sports prompted him and his colleagues to organize and develop the Southern California Municipal Athletic Federation (SCMAF), a nationally recognized non-profit organization of Public Parks Departments dedicated to fostering recreation sports leagues and programs. Today, SCMAF serves the recreational sports needs of over 250,000 youths and adults.

Norm was recognized throughout the Country for his innovative skills in raising monies to purchase and operate new and needed park facilities. As one of the last Department Heads to enjoy true civil service status, he would not hesitate to take on elected Board Members if he knew he was right. The late County Supervisor, Kenneth Hahn referred to Norm as "Mr. Parks & Rec." He received many national and local awards.

VOTE IN ELECTION FOR RELAC BOARD OF DIRECTORS

Your ballot and candidate statements are enclosed. Mark and mail your ballot promptly.
Every Vote Counts!

Election Slate Nominated for Board of Directors

At its meeting of June 23, 2005 the RELAC Board of Directors selected five candidates for Board membership for a three-year term beginning in January 2006. The election to fill five positions on the Board will be held in September of this year. Each year elections are held to fill one-third of the positions on the fifteen member Board of Directors.

In selecting this slate, the Board endorsed each of those chosen, finding them to be well qualified to help lead RELAC. They have demonstrated leadership abilities and are committed to serving this organization. The nominated candidates are:

MARY LOU BANGAR RAY GUYOVICH
EDWARD C. MORRIS IDA LEON RAMOS
GREG WALIA

In addition to the incumbents, Bangar, Guyovich, Morris and Walia, the Board recommends Ida Leon Ramos to serve as a member of the Board of Directors. Ida retired from the Public Works Department in 2004. She worked for the Department of Public Works from 1989-2004, District Attorney 1984-1989 and various other departments. Ida has already contributed significantly to RELAC as a member of the Membership Committee. She is a good detail person, has strong public relations skills and is recognized as an excellent speaker for training programs and presentations.

Jim Harrigan who has served on the Board of Directors for 14 years has decided to leave at the end of his term in December of this year. Jim and his wife Nancy expect to do more traveling. Jim is recognized as an outstanding leader and has effectively chaired several committees over the years, most notably the Recreation Committee for an extended period. More recently he has been chairman of the Membership/Recruitment and Newsletter committees. We wish the best for Jim and Nancy and we know they will continue to participate in many of RELAC's activities.

Sandoval, Morris, De la Garza Elected To LACERA Boards

All three of RELAC's endorsed candidates to represent retirees on the LACERA Boards of Retirement and Investments have won election. Diane Sandoval defeated six opponents in winning a seat on the Board of Investments; she led the incumbent by more than 2000 votes. Ed Morris was elected by an overwhelming margin to the position of Alternate Retiree Representative on the Board of Retirement. Bill de la Garza was unopposed in retaining his seat on the Board of Retirement.

The three winners and the RELAC Board of Directors appreciate the support that the voters gave the endorsed candidates. Retirees now have an outstanding team to represent them in protecting and strengthening the County's retirement system.

RELAC is pleased that active County employees elected Simon Russin to the Board of Investments. In his past service on LACERA Boards Simon has been a staunch supporter of retiree interests. Regrettably, active employees did not elect RELAC's endorsed candidate, Brian Brooks, to the Board of Retirement.

MEMBERS APPROVE CHANGES IN ELECTIONS FOR DIRECTORS

RELAC members in attendance at the General Membership Meeting on June 16, 2005 at the Diamond Bar Center voted to ratify the proposal to change the timetable for electing RELAC Directors. The voting will now take place in September instead of November. This change allows the Board to select the officers earlier for the next year so as to have a running start into the new term. The ballots are included in this Newsletter. PLEASE BE SURE TO VOTE.

Letters To The Editor

Thank you so much for my honorary membership card. It means a lot to me. My husband, David J. Klein, spent many happy hours in the Radiation Department of the LAC+USC hospital. He was in charge of the equipment. He passed away March 8, 2003. Also was a World War II veteran in the submarine service in the Pacific, and had many interesting stories to tell! Again, thank you for my honorary membership.

ADVANCE HEALTH CARE DIRECTIVE

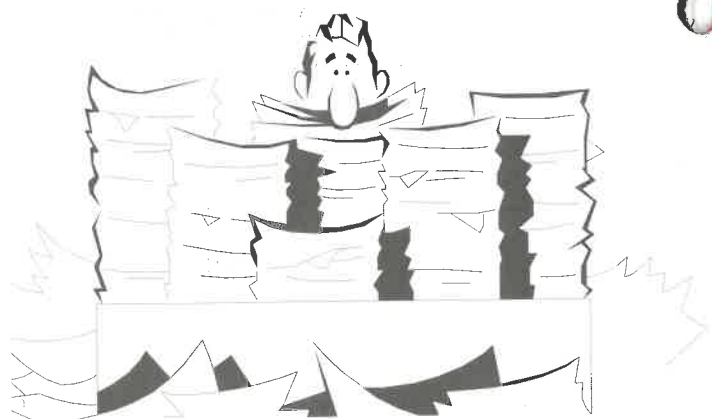

by Greg Walia, Chair

Ad Hoc Committee on Retiree Benefits

Due to recent events that gained national spotlight on who makes decisions in case of terminal illness, we thought of providing you with some useful information.

California law gives you the ability to insure that your health care wishes are known and considered if you become unable to make these decisions yourself. Completing an "Advance Health Care Directive" (AHCD) allows you, under California law (for other States please check with your State Medical Association) to: (a) appoint a health care "agent", and (b) you may write down your health care wishes in the AHCD form. Without going into too much detail, we strongly urge you to obtain AHCD forms by either calling or writing to:
CMA Publications, P.O.Box 7690, San Francisco, CA 94120-7690
Phone: 1-800-882-1262. Internet: www.cmanet.org
Ask for the Advance Health Care Directive Kit.
There is a charge of \$6.34 for each kit.

RELAC MEMBERSHIP DRIVE KICK OFF!

In the face of attacks on public pensions, your RELAC Board approved the first of several initiatives proposed by the Membership Committee to increase RELAC membership. Each quarter, new County Retirees are mailed a RELAC recruitment brochure and membership application form. It has become more critical that we maintain strong membership in order to ensure strength in our efforts to preserve defined benefit pension plans for ourselves and future County retirees. With this in mind, the approximate 800 retirees of the past quarter are being advised that any new member whose completed enrollment form (including payroll deduction authorization) is received in the RELAC office by December 31, will not be required to pay membership dues for their first six months of membership.

Now we need your help! Contact those fellow County retirees and active County employees who have put off enrolling – remind them of the key role RELAC plays in representing the interests of current and future retirees before LACERA, The Board of Supervisors and the California State Legislature. RELAC keeps you informed of matters essential to all of us – the maintenance and enhancement of our pension plans and health care coverages. These two factors are what give us peace of mind and the quality of life we have all earned.

And speaking of quality of life -- let your friends know that RELAC is not all business! Through its bi-monthly newsletter, RELAC announces to all its members scheduled year-round recreational activities including golf tournaments, RV outings, picnics, a Day at the Races, and discounted vacations. It's a means to maintain old County friendships -- and make new ones too!

Support RELAC and our membership drive – if each of our members could commit to getting just one friend RETIRED OR ACTIVE to enroll, we can immediately double our membership! For recruitment brochures and enrollment forms contact the RELAC office at (626) 308-0532.
Remember: No Dues For First Six Months Of Membership!

SHERIFFS' REUNION IN MC ARTHUR

RELAC 's President, Diane Sandoval, received a letter warmly expressing thanks for the Newsletter's publication of the notice that a reunion for Sheriff retirees was to be held in McArthur, California from June 13 through 17. The letter was signed by 42 persons who attended.

RELAC is always happy to give publicity to events planned by and for persons retired from Los Angeles County. We are pleased to have helped get the word out for the McArthur event.

For those who don't know, McArthur is in northeast California, about 70 miles east of Redding, in a valley between Mt. Lassen and Mt. Shasta.

Norm Johnson (cont. from p. 1)

Those who were close to Norm Johnson recognize that he had two full time careers. One with the County of Los Angeles and the second dedicated to serving County retirees. Immediately following County Retirement, Norm became and elected member of the Los Angeles County Retirement Association (LACERA) Board of Investments where he served for over 20 years. While many individuals have tried to take credit for the development of the STAR COLA program, the truth is that Norm Johnson was the key individual who initiated and found the legislative method for the development and implementation of the STAR COLA program as we know it today. Norm's long tenure as a LACERA Investment Board member has benefited all members of the retirement system.

The name Norman S. Johnson is synonymous with the success of RELAC. He served on the RELAC Board of Directors for over 25 years. He served as President, Vice President, Secretary and Editor of the RELAC Newsletter. On May 22, 2003, the RELAC Board of Directors unanimously proclaimed Norman S. Johnson, Board Member "Emeritus". Norm is the only RELAC member to achieve Emeritus status.

I met Norm Johnson in 1960 at an orientation meeting for new Park and Recreation employees. I was an entry level Assistant Park Director assigned to Lomita Park. I can remember he welcomed us to the Department with warmth and sincerity as he said, "enjoy your job, but if you don't like working with people, you're in the wrong business." With Norm it did not matter whether you were a janitor, Vice President or elected official, he treated everybody the same, with respect and dignity. He made all those around him feel important. Long after Norm had retired I ran into him at the Senior Center at Arcadia County Park. Norm was a volunteer helping Sr. Citizens with their income tax preparations. Norm was doing what he loved to do, "helping people." This is the Norm Johnson that I had the opportunity to know and admire.

In 2000 the County Board of supervisors re-named the swimming facilities at Arcadia County Park "The Norman S. Johnson Aquatic Center"

Two weeks before his death I had a long talk with Norm. He enjoyed being filled in on what was happening in the County Government and in particular LACERA and RELAC. He told me how proud he was of RELAC and the work it was doing on behalf of our retirees. Up until the end he maintained his faculties and his humor. Norm is survived by his wife Dorothy and his son Steven. He enriched the lives of the citizens of Los Angeles County. Norm will always be remembered as a true friend of all County retirees.

We will miss you Norm Johnson . . .

Regional Activities

by Alan Chancellor
Chair, Regional Support

Hello again from your road show coordinator and the Regional Support Committee.

Since our last article we've had some beach fun and have been getting prepared for more fun filled get-togethers.

HUNTINGTON BEACH/ORANGE COUNTY

Jill Hardy, the Mayor of Huntington Beach, welcomes RELAC members and guests to the highly successful Regional meeting held in that city on July 20. (Photo by Sol Fingold)

The surf was up in Surf City, USA on July 20th. We had a very successful and enjoyable regional meeting in the Huntington Beach Central Library. There were 40 enthusiastic general members in attendance, plus several RELAC Board members and our guest speakers. Huntington Beach Mayor Jill Hardy gave a warm welcoming speech and inspired all of us toward

continued volunteerism. She was followed by Bill Kirkwood (also a HB resident), President of California Retired County Employees Association (CRCEA). Bill was informative in sharing insight into statewide retiree issues and the teamwork between RELAC and CRCEA. RELAC Board members de la Garza, Morris, Fleming, and yours truly also briefed attendees on topics ranging from the Retirement Board to member outreach to recruitment and regional support.

We concluded with some well deserved door prizes that are probably adding reading enjoyment and some pounds to the respective winners.

TEMECULA

We continue to look ahead to our October 12th Temecula luncheon-meeting at the Embassy Suites Hotel, 29345 Rancho California Road in Temecula. Doors will open at 11:30am with lunch served about 12 noon. We are scheduling informative speakers and many of your RELAC Board members will be in attendance.

We hope you will plan to join us for this excellent event. This is an opportunity to share your retirement concerns and to hear directly from your RELAC Board. It's also a fun time to meet and greet old friends. All of this, a great lunch and prize drawings too, for just \$16.00 per person. To make your reservation simply fill out the form below and mail with your check of \$16.00 per person to RELAC. Don't miss out! October 12th will be here before you know it. And don't forget, bring along a fellow LACO retiree who is not a RELAC member. Once they join in the fun they'll want to be a member too. See you there!

Note: You will not receive a ticket in the mail for the event. Your reservation will be checked at the door.

LAS VEGAS

As you know from previous articles, our initial Las Vegas luncheon-meeting this year was a resounding success. So much so, that we are making plans for a repeat in 2006.

We have selected March 16th, 2006 for our second Las Vegas event. Place it on your calendars. There will be more to come in each succeeding article, but rest assured it will be fun, informative, entertaining and another great opportunity to enjoy good times with old friends.

Pass our invitation along to your fellow LACO retiree friends who are not RELAC members – we are actively inviting them as well in an effort to increase membership in our RELAC retirement family.

RELAC DAY AT HOLLYWOOD PARK, JUNE 22, 2005

A record of sorts was established when 118 RELAC retirees and their guests came for a fun filled day at Hollywood Park. We committed for 119 and 118 actually showed up! And some dedicated ones came from far

away places like Ventura, Sylmar, Tehachapi, Temecula, Palmdale, Harbor City and Perris (no, not France). The lone no-show missed out on a great lunch, Hollywood Park hospitality, and balmy weather.

In the past, our gathering was at the Finish Line Café, which could accommodate maximum 100 people. This year we were moved to Ascot Terrace due to increased

attendance. Great white canopies, white and green linen tablecloths and sumptuous food and fresh cut chilled fruit ...and oh...those chocolate chip cookies with yummy M&Ms for dessert was a treat to be had.

At the beginning of the seventh race, about 12 of us were escorted to the Winners Circle to have a group picture taken. Since this was my first experience organizing the event, I was totally impressed with attendees' full cooperation and the courtesy shown by the park staff. I am grateful for that. I also want to thank my colleague on the RELAC Board of Directors, Harriet Baker, for her help at the event. Thank you all for coming!

RV OUTING NOTES

Whew, another warm summer is well on its way out of here. As you read this we'll be getting ready for Chula Vista. It'll be fun camping at the beach. Mike and Flora Frazier will be wagon masters. Don't you suppose a few of the campers will make it to Tijuana? Maybe a golf course or two will draw the campers, or Sea World or the zoo could also draw in a few of us. If that sounds too tiring sit down and relax while watching up on summer news. Just think of the fun you are missing.

Our next campout will be at Emerald Desert RV Park in Palm Desert. This trip will include our annual costume party and Halloween potluck dinner. Who'll win the prize for best costume this year? Joe and Helen Quintana will be wagon masters. Campout dates are October 24-25-26, 2005. Deadline date for reservations is September 20, 2005. Coupon follows. Always remember table service.

Coordinator Ed Clifton says: Have you thought about being a RELAC RV Camper? We are always on the lookout for new retirees or those of you who haven't been out with us as yet. We will be at the RELAC picnic October 8. Look for our banner as we would love to meet you.

News From LACERA

by Janice Golden
Manager, Member
Services Division

If you have direct deposit, the following information is important for you to know.

Please don't change your direct deposit account until you've contacted LACERA. Each month we have a few members who close their bank accounts and forget to notify us. If your bank account is closed, and we don't have information on your new account, the funds will not go through. The good news is LACERA will process and mail a check to you if this should happen -- but it will take several days to do so.

To avoid any delays in direct deposit, please be sure to notify LACERA when you want to close your old account and open a new one. Or perhaps you want to change banks. In either case, contact us so we may assist you in making the change. It is best to keep your old account open until your retirement allowance begins depositing into your new account.

If you don't have direct deposit, we hope you will consider it.

Each month we get calls from members asking when they will receive their checks. We mail checks the day before the last business day of the month or Friday, if the end of the month falls on a weekend (view the Payday Planning Calendar on LACERA's web site at www.lacera.com). Sometimes members receive their checks in a few days; other times it may take a little longer.

With direct deposit, you'll be able to access your money immediately on pay day, and you won't have to wait around for the check to come in the mail. And, even if your dog should get hold of the mail and eat your direct deposit stub, it won't matter. Your money will be safe in your account where Fido can't get to it.

Please consider signing up for direct deposit today. You may order or print a direct deposit application from LACERA's web site at www.lacera.com, or just call 1-800-786-6464, and we will mail a direct deposit application to you.

President's Message (cont. from p.2)

WHY JOIN RELAC?

Over the past year one of my hot buttons has been membership recruitment. With the threats facing defined benefit plans, it is vital that RELAC increase its membership in order to have a stronger voice in Sacramento. To assist you in recruiting your retired friends who are not members of RELAC, I decided to provide you with a few talking points. Here goes:

RELAC

- Represents you at LACERA Board Meetings, Board of Supervisors Meetings, and at the State level whenever matters are discussed that affect your pension and medical benefits.
 - Keeps you connected by issuing six newsletters per year; holds General Membership and Regional Support Meetings in various locations throughout Los Angeles County and surrounding counties throughout California.
 - Collaborates with the California Retired County Employees Association (CRCEA) in sponsoring and initiating legislation relating to our pension and medical benefits.
- Represents your interests at State Association of County Retirement System (SACRS) meetings in matters affecting your pension and medical benefits.
- RELAC Board Members volunteer their time by assuming leadership roles on the CRCEA Executive Board in order to have a stronger and more effective voice with all levels of government.

As you can see, in my opinion, RELAC provides an invaluable service to all Los Angeles County retirees whether or not they reside in California. For additional talking points, please refer to the RELAC Web Page at www.relac.org.

MARK YOUR CALENDARS

Once again, thank you for your vote and continued support. I look forward to seeing you at future RELAC events.
