

## **Thank You for Helping Us Fill the Basket**

Thanks to the generosity of our members, RELAC has surpassed its 2023 goal of raising \$5,000 for the L.A. Regional Food Bank. One of our members offered in May to match up to \$1,000 of donations that were made by Memorial Day. We put out the word in an e-mail blast and our members responded enthusiastically, and as of June 2, we had collected \$10,000 – more than twice our goal. We will continue collecting donations throughout the year – the need for food never ends – but we wanted to say thank you now for helping RELAC Fight to Help End Hunger.
